OUTSTANDING RESIDENTIAL RENTAL INVESTMENT IN AN UNIQUE LOCATION

Failing health brings this property to the market. It has been both the home and an investment for the owner for over 50 years having bought it from the original builder. The rental income is \$250.00 per week times 4 plus the 5th is the owner's 2 bedroom unit which will be available to add to the rental income as well. The position so close to town, bus and rail has meant over the years the units are hardly ever empty.

It is not often a stand-alone building of 5 units comes available with strata potential though the choice to hold as is and receive a great rental income is just as attractive. Call for details and inspection times please to Ian Black 0407 587 503
