## SOLD, SOLD, SOLD - THE BEST THERE IS ..

For those seeking a character home with a budget that extends into the high \$500,000's you should look no further than this home Could this be the one you have waited for, for so long? No other quite like it for sale now or into the future once gone. The property is special in so many ways; the land size at over 1,800m2 (almost ½ an acre); the views that are 360 degrees looking all over Nambour and the hinterland; the verandas and deck; the whole property is all in perfect condition. The features that make these homes so sought after are all intact. Only an inspection will reveal what is exciting about this property, more than just the expected vertical tongue and groove timber walls, VJ walls as the builders referred to them; high ceilings and hardwood polished floors, gleaming as aged timbers do. Surrounding the home are beautiful gardens plus a citrus orchard, a huge stand of bananas and abundant vegetable beds filled with produce, all serviced by rainwater tanks. Call and we will send you the history on this rare property or better still arrange your inspection with the Exclusive Marketing Agent Gary Langford 0412 348 533.
