COUNTRY HOMESTEAD

This is a superb 1980's home by master builders that has potential for multi-generational living. Over 50 squares under roof there is room for everyone. A huge and wide deck at the rear overlooking a sparkling in-ground pool sets the scene for family gatherings while supervising the younger generation as they frolic and cool off. Soaring ceilings to all living areas timber lined and exposed beams, internal feature brick walls with an open fire as a centrepiece to the formal living rooms, all reminiscent of the era of it's build. The home boasts 3 bathrooms, one which is ensuite to a huge master bedroom, the second servicing 3 other bedrooms and the third at the opposite end of the house perfectly located to service a completely separate wing. Triple garage with undercover access plus a handyman's shed cum workshop hidden away in the greenery of the back yard. The property is incredible value for its over 50 squares in size and perfect location in the rolling Dulong hills equidistant from Montville, Mapleton or down to Nambour. Land holding approx. 6,000 square metres.
